TUITION PAYMENT POLICY

Tuition and fees are due and payable at the beginning of each semester. However, CAU provides a personalized deferred payment plan for students unable to pay the total amount at time of registration. A student must fill out a Tuition Payment Plan form with the Registrar before a semester/session begins. The basic standard deferred payment plan is as follows:

The total amount due for the given semester is divided into four equal payments, (25% each) with the first payment due at registration. The balance, which is divided equally into three payments, is due over the following three months.

- Tuition Installation Fee \$35
- Service charge of \$5 for each install payment.
- Late payment charge of \$10.00 will be assessed for payments more than 7 days late.

The following are payment due dates: 1st payment, registration date; 2nd, Sept. 30 (Fall Semester) or Feb. 28 (Spring Semester); 3rd, Oct.31 (Fall) or Mar. 31 (Spring); 4th final payment, Nov. 30 (Fall) or Apr.30 (spring).

Failure to make payments within 30 days may be grounds for suspension.

For winter and summer sessions, full tuition and fee payments are due at the time of registration.

-If the student obtains a loan to pay for an education program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

Additional information concerning the tuition payment plan can be obtained at Registrar's office.

I (We) hereby request placement on the *Tuition Payment Plan*.

I have read and fully understand the terms of the payment plan listed above.
