

DMA Essay (Dissertation) Proposal Approval Form

Prior to a student registering for Doctoral Essay (Dissertation), a Committee must be formed. Once a student has a proposed essay project approved by the supervising committee, the student should complete this form and secure the required signatures. The form should be sent by the DMA Program Director, for signature, then to the Academic Dean. Upon final approval, the student is then permitted to register for DMA Essay credits. A copy of the form is sent to the student after all signatures are secured. See the requirements below on Committee membership.
